

**CMS 2013, Montreal, Best Student Paper Prize**

This is to certify that

**Anna Timonina**

University of Vienna

Vienna, Austria,

has been awarded the best student paper prize at the Computational Management Science  
Conference, Montreal, 1-3 May, 2013 for her paper entitled:

**"Multi-stage stochastic optimization: the distance between stochastic scenario processes"**

The conference organisers, the editors of "Computational Management Science" and the  
publisher warmly congratulate the author.
